# APSB Foal Futurity

## What Is It?

The APSB Foal Futurity is a competition for 2 year old ponies for all breeds under the APSB banner. Great prize money is on offer. First to Fifth place receives a percentage of the entry fees for their section.

### Rules

- You must enter the foal before it is born
- Entries close on July 31 each year so if you have covered your mare this season you may enter her unborn foal.
- You must then re-enter the pony as a yearling and again when it is a 2 year old
- The final of the competition is judged at the Victorian Stud Pony Show as a led class.
- Each breed under the APSB banner is judged separately
- If there is no breed listed in the 2 year old nominations then there have been no entries in that section.

All nominations must be in the hands of the Foal Futurity Co-ordinator no later than July 31 each year.

## Furzley Brociade

(imp)

### River Valley Pony Stud's New Forest Pony Stallion

The Hipwell Bro's from River Valley Pony Stud in Kyabram are the proud owners of this exciting young Stallion who has been safely tucked away since arriving in Australia. He has not been out performing due to firstly El then the dreadful fires but he has placed some young stock on the ground . Furzley Brociade(imp) was purchased from Sandra Kilford of Furzley Stud who breeds & produces brilliant stock there quality speaks for its self. The Hipwells feel privileged to be able to obtain Brocaide from Sandra Kilford a well performed New Forest Youngster of such quality from England.

Brociade youngsters are the apple of his eye. One of these youngsters River Valley Red Shoes as a weanling filly won at the Australia Sport Pony Young Stock Challenge then went on to obtain Reserve champion female. Melbourne Summer Royal 2009 as a yearling to win then obtained Reserve Champion New Forest to the mature stallion Champion River Valley Tiptoe. Furzley Brocaide has one led outing in Australia at Melbourne Summer Royal for Reserve Champion 2008

Expression of interest are being accepted for a colt & filly of his outstanding progeny an asset as performance/sport pony or a breeding prospects for a breeder wishing to introduce such fantastic imported New Forest lines.

His sire is the well know internationally Luckington Sportaide; S28/047 NFS 28/047 SILVER GRADED STALLION This is based on Elite Scheme points from his progeny Sire: LUCKINGTON LUDO NFS03018 Dam: LUCKINGTON VINTAGE M23/104 Elite scheme 2008 - 2nd Top Sire  
Dam; Sophia M 31/339 1988

Furzley Brocaide (imp) at his first outing under saddle as you can see I am absolutely thrilled with his performance. His manner & behavior was impeccable totally unconcerned by the coming of a going of a busy competition. I was totally unprepared for the interest as I was just sneaking him out for a quiet outing competing H/C. He was little nervous at gear checking, Thank you Wendy for making that experience pleasant, experienced handler in gear check is fantastic. APOB pony dressage was such a well run event for a young stallion. He also received very favorable comments & a very acceptable % in his test.

Bookings this coming season are limited so if you wish to use Furzley Brociade(imp) please contact us early. Please contact elizabeth.alexander@bigpond.com for extended pedigree or further details.
