

# Aeryn Sun

---

Champion Gypsy Cob Mare, 2011 Royal Melbourne Horse Show  
Supreme Champion Gypsy Cob, 2010 Dandenong Agricultural Show

Aeryn Sun is a 6yo, 14.2hh Black and White Tobiano Gypsy mare imported from the UK in 2010.

She has a beautifully pretty head and the ultra long flowing mane and tail so inherent in the breed and masses of feather. Aeryn also has a moustache which is considered lucky.

Aeryn is proving to be an exceptionally sweet and inquisitive mare with a very gentle nature. She loves hanging out with the humans and is very good at supervising goings on in the paddock. She is a very considerate mare, very polite when asking for a bum scratch and very obliging at giving a mutual groom in return!

Aeryn has proved to be a wonderful example of the quiet, easy going nature expected from the Gypsy Cob breed, taking everything in her stride when out at shows and handling all the noise, fuss and excitement like a pro.

Aeryn was purchased from the legendary Vines Gypsy Cobs in 2009 and has Toy Boy, Old Horse of Wales, Tucker, Walker, Harkers and Pratt breeding behind her.
