Logo is an incredibly special pony, he is a valuable member of our family. He produces an outstanding temperament and has blood lines that are unique and are now sought after.

I was looking for a Welsh B stallion not sure where to start looking and called Leslie Barrat-Lennard who suggested that Logo may be for sale. I spoke to a friend in the U.K who said he had fantastic old bloodlines not found much now, so went down to Collie to Isobel Palmers to have a look. I remember looking across the paddock at this beautiful pony with an absolutely classic head, he has the kindest eye I have seen in a pony and I will always remember the day we brought him home. He is an absolute gentleman in everyway

After Logo had being started under saddle in 2004 aged 18year, I was talking to Leslie Barrat-Lennard of Drumclyer Stud she said, "well you know he was never really backed!" That year he was ridden at the All Welsh in several different classes and the year after came 2nd in the ridden stallion class at Perth Royal 2005. In 2006 he had his final show at The W.A All Welsh. He has retired from competition now and he is happy in the paddock at home.

To date he has given us 2 part bred colts rising 3 – Torridon Oberon out of Limehill Pixie a beautiful little gelding who was sold as a family pony, Torridon Court Jester out of a stockhorse mare; he is very striking and has done extremely well in breed classes over here and I'm sure he will end up being a beautiful hunter type pony, sold to be a hunter galloway and a family pony. Torridon Mystique is a full sister to Court Jester is grey and very elegant will possibly be a larger pony she is rising 2years and has been sold as a foundation filly to be bred from in the future. Mystique is also doing very well in local breed shows .

We had three pure bred fillies last year; Torridon Little Jess out of Trentlyn Halia (Weston Pinup Boy) Torridon Halo out of Judaroo Hannah and Torridon Distinction out of Judaroo Liberty all sold early to future studs. I hope to retain this year's foal out of Liberty. Logo has lots of progeny out competing but there are too many to list . He has one full sister who is chestnut
