**Sire: Alpha Royal Leigh Dam:
Dunelm Starstruck**

2009 Barastoc Newcomer Small Pony of the Year

This pony was bred by Marcia Adams of Dunelm Pony Stud.

I bought him as a yearling and he was campaigned in led with heaps of success including winning the futurity at the Gippsland APSB Youngstock Show. I broke him in myself with the help of my great offsider of 7years, Katherine Galloway. He was started under saddle this year and went to five shows for five champions before Barastoc.

At Barastoc he was ridden the very professional Maddison Zammit of Hazelwood North. Maddison has ridden all my Barastoc starters in the last 5 years and each has made the top ten. This was her first ride to major victory.

This pony has now been sold to Haley Ackerly and we all wish her the very best of succes with him in the future
