

Dylanglen Ringo Starr

14hh 8yo Connemara Gelding

Sire: Glenormiston Rossmere Dam: Curraglen Whisper

Dylanglen Ringo Starr is an 8 year old Purebred Connemara Gelding and has been with Dylanglen Stud since the day he was born. He has a very friendly but cheeky personality and just loves lots of human attention.

He is ridden by the youngest working member of Dylanglen Stud who is now 14 years old and she has been riding him since she was 10 years old. He is a very busy boy and participates at Pony Club, Agricultural Horse Shows and Adult Riding Club. He is happy to do any discipline but likes his jumping the best. He has a number of fans (most of which are children) as they can all pat him, brush him and walk around on him (even if they cannot ride) and they feel safe with him.

His first outing to the Victorian APSB Stud Pony Show was in January 2009 and he was very very successful. Much to our surprise he won Ridden Connemara Pony of the Year and came runner-up in Senior Led Connemara Pony of the Year. He also won Champion Connemara Gelding on Sunday. Ringo is very dear to us at Dylanglen Stud and we just love the super personality that he has. He will remain at Dylanglen Stud for the foreseeable future as the family has no desire to part with him...ever!!
