

Fairlight Acres Command Performance

aka "Jack"

13.3 7/8hh

4yo Australian Pony Gelding

Sire: Mondiso Park Eclipse

Dam: Fairlight Acres Alkarra

I bought Command Performance off Jack Fowler in mid 2007, who had purchased him as a weanling from Peter Collins. Shortly after I purchased him he was sent to be broken in and from there I started riding him in preparation for the 2007 Spring Show Season. Of course, El then broke out and Jack wasn't started until Feb 2008 at Barastoc.

Jack is a very cheeky pony who tries his hardest to please. He has had an amazing amount of success at the limited number of shows that he has attended. These include:

Jack has won many other awards at our local agricultural shows. He is one of those ponies who is easy to prepare and takes little time to go from the float to the ring. I look forward to what the future will bring for this lovely, up-to height Australian pony.
