Naruni Park Dantana

Sire: Fairlight Acres Kidman Dam: Fairlight Acres Destiny
12hh Australian Pony Mare

Dantana was purchased by Deeplake Stud as a foal from Peter Ronzio and Kerry Mulgrew approximately five years ago. She was shown by the stud to win her class as a yearling at the National Australian Pony Feature Show.

She is a very pretty pony who has recently been sold to New Zealand after just two shows under saddle ridden and broken in by Briony Payne. She was champion small saddle pony at her first agricultural show and went on to compete in one class at the 2008 Barastoc Horse of The Year Show for Top 10 Newcomer Small Saddle Pony. Due to EI she was shown very lightly. She has been sold to a leading NZ Show home and we are sure to hear more performances from this gorgeous mare.

Her dam Fairlight Acres Destiny is a small, black Welsh B mare. Herself a former winner of her riding pony led class at Adelaide Royal, Melbourne Royal and a former Champion Ridden Small Pony at the Victorian APSB Stud Book Show. She is currently owned by Deeplake Stud. This former saddle champion had two progeny in the newcomer small saddle pony Top 10 Final at the 2008 Barastoc Horse of The Year Show – Naruni Park Dantana and Naruni Park Addition. Deeplake Stud currently have a weanling colt called Deeplake Rock 'n' Robin sired by their resident stallion Langtree Cavalier on the ground who is sure to be a future small saddle pony champion. Dantana herself had a gorgeous colt foal sired by Langtree Cavalier who is owned by the Arnold-Shaw Family called Deeplake Peter Pan. We look forward to his saddle career with excitement as he has an incredible elevated trot.

Dantana's sire Fairlight Acres Kidman is owned by Peter Collins of Fairlight acres Stud. A full sister to Dantana called Naruni Park Velvet has recently been sold to Carolyn Bellman & Sheree Horsepole and another full sister is a former Royal Champion called Naruni Park Buttons & Bows.

We wish Dantana's new owners in New Zealand luck with this stunning pony.
