

WINFIELD PONY STUD

Breeders of Australian, Welsh, Shetlands, APSB Part-bred & APSB Riding Ponies

Winfield Pony Stud was founded in 1976 with the purchase of the mare "Narada Treena". Within the next five years, the stud accumulated a number of young mares and fillies, many with old bloodlines like, Owendale, Glenway, Narada, Glen Valley, Barolin and Robarie. Thus we had a stud founded on third generation Australian bloodlines.

By fluke, our resident sire in the next few years "Owendale Elvis" was also a full brother to my favourite mare "Owendale Gala", purchased from Owendale some years earlier. They were by the famous "Green Valley Perry" out of the Royal Champion mare "Ardrossan Silver Dawn".

Over the next number of years the Paynter family came along and the stud also expanded into what is today a very large APSB stud with some 60 ponies at any one time. We have shown extensively over the years and have had some wonderful success at Royals, both led & ridden.

Today we stand several stallions, the most prominent being the Australian pony "Nampara Royalty". By the legendary "Keston Royal Occasion" (imp/dec) out of the outstanding mare "Glenway Karen", he carries some of the most sought after modern blood of today. Many of his full brothers & sisters need no introduction, as they have been National Pony of the Year on several occasions. A retiree of the stud is Roy's full brother "Nampara Pasquinel" who was probably the most successful Australian Pony Gelding in Victoria. Roy is now in his 19th year and has left us with some wonderful daughters for future broodmares, some well over 13hands.

The stud has now ventured into breeding Riding Ponies, ASPB Riding Ponies & APSB Part-breds. This allows us to produce saddle ponies & Galloways of all types. With Royalty's oldest progeny taking out VASA Newcomer Galloway and Melbourne Champions, this move has been a very sensible one.

Another resident stallion is the APSB Riding Pony "Fairlight Acres Beltona". He stands at approximately 13.2h and is grey. He is by "Fairlight Acres Kristian" out of "Kirreway Blue Orchid". Blue Orchid's mother is the famous mare "Keston Minetta (imp)" needing no introduction to any pedigree. We now have some quality youngsters by "Peter" that are currently for sale.

Winfield also stands a black Shetland stallion, who is well up to height and is producing quality foals. "Winfield Just Jeans" is by "Daniel Park Nightstalker" who is by the famous "Tinkara Bimbo" out of "Glendoman Jaqualyn". Jacki was our outstanding Shetland mare who has several Melbourne Royal Show wins to her credit. She carried the Paynter children successfully for many years.

To add to the long list of stallions and colts at "Winfield" we have produced a home bred colt who is destined to add that touch of cream all breeders hope to achieve.

"Winfield Grand Opening" is a bay five year old Riding Pony and APSB Riding Pony stallion. He measures 13.1h and is by the now deceased legend "Kirreway Ambition". This outstanding stallion unfortunately died at a very young age, just as his progeny were winning. Michael's dam is "Winfield Royal Gift" by the legendary "Keston Royal Occasion" whose dam was my special mare "Owendale Gala"(dec). So as you can see our line breeding program is paying off.

Amongst his other successes, Michael took out Reserve Champion Riding Pony colt at the 2005 Melbourne Royal Summer Show. This was indeed a tremendous thrill for our stud and certainly made me very proud to own such a beautiful animal. Winfield Stud is very excited about the pending arrival of Michael's first progeny this season.

We welcome visitors to the stud and are only too happy to show people around. Please, a phone call first would be appreciated. Feel free to phone on (03) 5633 1604 and we will be only too pleased to go sight-seeing.
