Hello and welcome to another monthly email newsletter.

I imagine breeders are starting to get excited about the new crop of foals arriving. Please send through your foal photos so we can have a foal photo section in the next newsletter.

The Victorian Branch Annual General Meeting was held last week at the rather impressive Tabcorp Park. Many of the attendees enjoyed dinner in the bistro prior to the meeting and it was lovely to opportunity to catch up everybody. One of the staff from Tabcorp Park gave us a brief overview of the new facility and then we moved on to the meeting. Bruce Hamblin has now handed over the reins to Joy Jones for the Victorian President. Marion Costello and Filipa Marshall are Vice Presidents with Marion and Joy being the Federal Delegates. Bruce Hamblin with Sally Centrone as his deputy have taken on the Treasurer role. Janice Johnson and Jan McBain are the Publicity Officers. Graeme Hodgkinson and Peter Ronzio were welcomed onto the Committee and Bruce thanked Carol Hibbert and Yvonne Williams, who have stepped down from the Committee, for their time and efforts over the past 2½ years.

Many of us are also busy preparing our ponies for the upcoming show season with Melbourne Royal now completed. Congratulations to any APSB members who had ponies competing at the Royal. Please send through photos and stories.

If you have any information you wish to be passed on, please email newsletter@apsbvic.org.au for inclusion in the next Email Update and September Newsletter.

Please remember to send through photos as well as results so that we can include them on the website

Have a great month,

Help Needed – Web Site Template Design

I would like to update the APSB Vic Branch Web Site and am looking for someone who can put together a template. This would be a "love" job but credit will be included on the web site. For further details, please contact Filipa Marshall on 03 5852 3067 or email newsletter@apsbvic.org.au

Reminders

Adult Registrations

A reminder to owners or breeders to ensure that animals are adult registered before they turn 4. This often creates problems for Spring/Summer show entries when people try to enter ponies that are foal recorded in classes or you have colts that have been gelded but are still recorded as colts.
