

## ACTIVITY DAY RESULTS '08

The GRPG Promotional Group in Gippsland run a very successful Activity Day on the 13<sup>th</sup> April 2008. The day is slowly growing and is turning out to be a wonderful fun day for many children and adults in the area. The Trafalgar Equestrian Park is an excellent facility for a day such as this with plenty of parking and lots of room to spread out and hold each section. With the future of the park being made into a bigger and better equestrian facility, our user group is in a good position to hold more events here.

The group members would like to congratulate all competitors on competing on the day and we are hoping in the future to make it an even bigger and better day. Due to the EI we left the program as was, however we intend to extend the program in the future, perhaps holding a Native Pony Section and we have had a request for some harness, which we are looking into. Thanks everyone for the day and see you next April. Don't forget to keep April available.
