

SCOTTISH HERITAGE DAY
27TH MAY 2007

What a terrific day for the annual Scottish Heritage Day held by the Dandenong Agricultural Society in Victoria. Lovely sunshine greeted 10 Highlands for judging by Mark Goodwin. Mark is from the UK and used to work for the Queens cavalry.

The Highlands all looked terrific and was great to see 5 in the saddle class. We have some super shots from the day available on the website.

Championship winners were awarded beautiful rosettes from the UK.

Melanie MacLachlan & Jan Gallagher's gelding Harkaway Lodge Hawthorn was used in the after noon by commentator Wayne Loughnan who rode Hawthorn around giving a running commentary of events taking place. This even featured in the Victorian newspaper the Weekly Times!
